BIPARCOURS – the education app.

Consent and acknowledgement from legal guardians

BIPARCOURS is offered free-of-charge from education partner NRW (Bildungspartner NRW), the Ministry of Schools and Education in the state of North Rhine-Westphalia, the Rhineland Regional Council (Landschaftsverbandes Rheinland - LVR) and the Westphalia-Lippe Regional Council (Landschaftsverbandes Westfalen-Lippe - LWL). The app was specially developed for use by students at school as well as in municipal extracurricular education and cultural institutions (e.g. libraries, memorial sites, etc.).

A legal guardian must consent to the usage of BIPARCOURS (on behalf of their child) if a student is under 18 years of age.
